SUPPLEMENT TO  
REPORT NO.

1. According to a copy of a document circulating in the offices of the government of Brandenburg, the factories in the Russian zone that have been placed under direct control of the DWK are grouped in "Industrial Administrations" (Industrieverwaltungen). Other sources have used the term "Associations" (Vereinigungen). Otherwise the document agrees with information previously received except that it lists director of #18 (Metal Goods) located in Zwickau as Herr Kartzenmeyer; an earlier report had named Herr Lang as director of #18.
2. Attachment I lists additional "Associations" not included in earlier reports.
3. Attachment II lists factories in Brandenburg included in this DWK program.
